

Warner Elementary Volunteers

Volunteer opportunities can be found online through Membership Toolkit (MTK).

Why MTK?

- Ease - Parents can sign up without having to be present for a meeting.
- Precision - Your email address is in the system - eliminating distribution list errors.
- Functionality - The Warner PTO can reach volunteers based on specific criteria, such as: an entire grade level or individual teacher.
- Opportunity – Truly first come based.

How It Works

- When there are new opportunities, an email from the Warner PTO will be sent with a personalized sign-up link to MTK.

OR

- Available sign-ups can be accessed at any time! Download the MTK app or log in to your MTK account.

Questions about MTK, contact the Warner PTO – warnerwolvespto@gmail.com

Volunteer Hours

Last school year, CFISD changed the online tool used to track volunteer hours.

Find the category that best suites you:

A. Volunteered at Warner last year:

- a. No action is needed - continue to use the same account

B. New to Warner:

- a. Create an account - <https://bit.ly/2Mo0tsY> - The name for your volunteer account must be an exact match to the name on your driver license.
- b. Your driver license will need to be scanned in the Warner front office.

C. Attended Warner last year, but did not volunteer:

- a. Create an account - <https://bit.ly/2Mo0tsY> - The name for your volunteer account must be an exact match to the name on your driver license.
- b. Your driver license will need to be scanned in the Warner front office.

**All volunteers must wear a volunteer sticker.
To receive a volunteer sticker, your driver license must be in the system.**
